CAPABILITY STATEMENT

COMPANY SUMMARY

Here's where you offer a brief snapshot into the history, culture and achievements of the company.

Remember to keep it sharp and to the point - and most of all, keep it relevant to your audience.

CORE COMPETENCIES

Imagine you only have 5 minutes to pitch your story. Where do you start? With your Core Competencies of course...

Let your audience know your strengths - don't be long-winded about it though. Keep it to short paragraphs or even just bullet point! And once again...keep it relevant to your audience.

DIFFERENTIATORS

What sets you apart from your competitors?

Is it your extensive experience? Have you completed a number of projects in the past that are relevant to your audience's industry? This is the section where you inspire confidence and tell your prospective client that your proven track record and key competitive advantages are the reason why they should pick you.
